WORKER RETENTION THROUGH CUSTOMIZED TRAINING

Workplace training is a critical component of business success and a valuable retention tool. Access to local, state, and federal training resources and grant programs is provided to assist businesses with worker training. Training funds are based on availability and our business services staff will help guide you through the program requirements.

EDUCATIONAL WORKSHOPS/LABOR MARKET INFORMATION/COMMUNITY RESOURCES

Workshops on topics of interest and importance to hiring managers are held at the center periodically. The workshops serve as an excellent way to learn and network with other local managers. Access to training programs and community resources is also available.

CAREER DEVELOPMENT PROGRAM LINKAGES

We promote your company internships, apprenticeships and on-the-job training opportunities to motivated and skilled candidates through our workforce center. Thousands of citizens visit our center annually to search for local career and employment information.

SUPPORT DURING WORKFORCE DOWNSIZING

Downsizing your workforce is an unfortunate circumstance for both the business and affected employees. Our local response team provides your organization with no-cost outplacement services that are customized to each company's situation and may include:

- On-site information sessions on available support resources, labor market outlook, employment opportunities and unemployment insurance
- Seminars on job search techniques, résumé writing and interviewing skills
- Career counseling for individuals and groups
- Individual job matching and placement services

RESOURCES THAT SAVE YOU TIME & MONEY

Our dedicated business consultants provide customized workforce solutions for both start-up and established businesses. We work in partnership with you to help your business grow and prosper in Carroll County.
